PETITIONING THE COURT

To incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court on 8/21/2023 and 10/6/2023.

On October 22, 2019, Mr. Way's conditions of probation were reviewed by the probation officer and he signed said conditions acknowledging an understanding of his requirements.

The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

5

Special Condition #4: You must abstain from the use of illegal controlled substances, and must submit to urinalysis testing and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

Supporting Evidence: The offender is alleged to have violated special condition number 4, by failing to report to Pioneer Human Services (PHS) for urinalysis testing on October 13, 2023.

The probation officer received email correspondence from PHS indicating the offender failed to report for urinalysis testing on October 13, 2023.

The U.S. Probation Office respectfully recommends the Court to incorporate the violation(s) contained in this petition in future proceedings with the violation(s) previously reported to the Court.
